(f) if so, whether Government had accepted the said recommendations, if not the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF LABOUR AND THE MINISTER OF STATE IN THE MINISTRY OF WELFARE (SHRI RAMII LAL SUMAN): (a) to (f) It is true that due to financial constraints the National Council for Safety in Mines (NCSM) Dhanbad, has defaulted in making payment of salaries to the staff. The Council is not a Central Government Department but a registered society, and as such, the Government is not responsible for payment of salaries to the staff of "NCSM. The Council has been facing (financial difficulties for some years. An expert group set up in the year 1985 had made some recommendations which were considered and the Government favoured winding up the Council. It was felt that the activities for promotion of safety in the organised sector be handled by the management of the mines concerned, while the Directorate General of Mines Safety could take up the activities for the unorganised sector in the mines. Several representations have, however, been received by the Government against the winding up of the Council and the matter is under review.
